Treasurer's Report

Amy Mullen presented the Treasurer's report. She stated that in the month of June we had income of \$179,191.85. Balance of \$3,369.71 in checking and \$530,710.71 in savings. Also, have three certificates of deposit with Old National Bank with balances of \$135,562.67, \$69,425.70 and \$23,905.08. Total in banks \$762,973.87. Amy stated that we just renewed 2 of the CD's for 23-month terms and the last one is a 13-month term. Overall ½ half was \$24,486.87 over what we budgeted. Amy went over budget items overages and underages. Amy stated that Scott County reached out to her about billing for the detour roads. She looked at everything and there was nothing out of the ordinary with regards to the detour roads, so she did not think we needed to bill anything. Les stated that they also patched the blacktop roads and didn't bill us for that. Board felt that Amy will reach back out and let them know that there was nothing over and above our average expenses so no bill will be submitted. Les also stated now that 195th is a dead end towards the city that the road is used minimally and is holding up well. Motion by Les and seconded by Ron to approve. No further discussion. Motion carried by all.
