New Business:

Scott County Permit Report for January 2025 – 3 permits

Scott County Sheriff's Report for January 2025 – Report was short. For informational purposes. Only 9 total calls in St. Lawrence for the whole month.

St. Lawrence Code Enforcement Report – No report

2024 MCES Survey of on-site disposal systems – nothing to do as the county takes care of this.

2025 Crack Seal and Seal Coating partnership with Scott County. Putting together the package currently. Ron, Les, and Ted agree that there is not much if anything to do this year. There is potentially a detour route but that is not a priority.

Joint Planning Board Meeting – This was cancelled and no further information available as to whether this will continue or not at this time per Tom Nikunen at the City of Jordan.

Set up time for re-org meeting – table it until the next meeting. Input needed from Mona.

Boundary and Annexation Survey – need to complete by March 1st but it is voluntary. Need input as to whether the boundaries need to be corrected as current map does not show Scott County's annexation. This is not a mandatory survey so will not be completed.

Old Business:

Website update – website is live and Mona has put a notice on our township Facebook page about it.

City of Jordan update: project on 190th will be on for the spring. The Jordan Fire meeting is on February 19th. Ron and Ted will be attending. Les had concerns that the fire report might have lumped all the townships together for total calls because the numbers were high.

Jablonski update – still part of the township. City needs an easement. Ted sat in on the meeting. Very simple and will work with city/county.

City of Belle Plaine update: No update.

Belle Plaine Rural Fire Department Annual Report for 2024 was given to the board to review. No further updates.

MN DOT Update – Nothing

Road Maintenance Report – Brought salt and sand to bottom of the hill by Caola to try and combat the ice from the springs.
