The Board of Supervisors of St. Lawrence Township hereby ordain:

Section 1. Purposes and Intent.

This Ordinance is adopted for the purpose of authorizing St. Lawrence Township (the "Town") to charge for emergency services as authorized by Minnesota Statutes §§ 366.011 and 366.012 and other relevant statutes.

Section 2. Definitions.

1. 1. Said fees for Fire and Emergency Services shall be established at a fixed rate for certain specific types of incidents or for actual costs incurred by the emergency service provider in responding to the incident for other specific types of incidents as identified below. For any incidents not listed below the fee shall be for the actual costs incurred by the emergency service provider in responding to the incident.
2. For incidents for which the actual costs incurred by the emergency service provider in responding to the incident is charged, the fees shall include, but shall not be limited to, actual manpower costs for all personnel that respond to the incident (minimum of 1 hour) and the cost on a per hour basis for each fire apparatus or other mechanical equipment that responds to the incident (minimum of 1 hour per unit).
3. When a particular service rendered by the emergency service provider directly benefits more than one person or property, the owner of each property so benefited and each person so benefited (where the property protection only is not involved) shall be liable for the payment of the full charge for such service to their respective property as hereinbefore outlined.
4. The service charges for fire and emergency services shall be as itemized on attached Exhibit A, as amended, plus costs of enforcement incurred by the Town or its Designee.
5. False alarms and cancelled calls will not be billed as a service charge.

Section 5. Fire and Emergency Service Charges in General.

2. The Town Board or the Belle Plaine Community Fire Protective Association through its Joint Powers Agreement with the Township, hereinafter referred to as “Designee” may enforce the terms of this Ordinance.
3. Parties requesting fire and emergency services, parties receiving fire and emergency services, and owners of property upon which fire and emergency services are performed may be billed directly by the Town or its Designee if such emergency services are provided by the Fire Protection Contract.

6. Parties billed the Service Charge will have 30 days to pay unless otherwise agreed to in writing by the Township or its Designee. If the Service Charge is not paid by that time, it will be considered delinquent and the Township or its Designee will send notice of delinquency.
7. If the Service Charge remains unpaid for thirty (30) days after the notice of delinquency is sent, the Town Board or its Designee may also, on or before October 15 of each year, certify the unpaid Service Charge to the County Auditor of the county in which the delinquent party owns real property for collection with property taxes levied against the property pursuant to Minnesota Statutes §§ 366.011 and 366.012. The County Auditor shall be responsible for remitting to the Town all Service Charges collected on behalf of the Town. The Town Board or its Designee must give the property owner written notice of its intent to certify the unpaid service charge to the auditor by September 15th.
